What else is there to say? Planet Earth is being brainwashed into Fear-Porn-Coronavirus Chicken Littles. Depressingly, Eurangloland's Big Lie Propaganda Machine (BLPM), which is nothing more than the Nazi playbook, is ruthlessly effective. The Western oligarchs' mainstream media presstitutes, working in lockstep, can make you believe anything, absolutely the most outrageous and criminal fake news, and it works every time. Don't ask me, Joseph Goebbels, the Nazi Minister of Propaganda, and Adolf Hitler, Nazi leader knew what they were talking about,

**Propaganda works best
when those who are
being manipulated
are confident they are
acting on their own
free will.**

- Joseph Goebbels

author

**It is the absolute right of the State to
supervise the formation of public opinion.**

-Joseph Goebbels

**If You Tell A Lie Big Enough And Keep Repeating It,
People Will Eventually Come To Believe It.**

The lie can be maintained only for such time as the State can shield the people from the political, economic and/or military consequences of the lie. It thus becomes vitally important for the State to use all of its powers to repress dissent, for the truth is the mortal enemy of the lie, and thus by extension, the truth is the greatest enemy of the State.

-- Joseph Goebbels

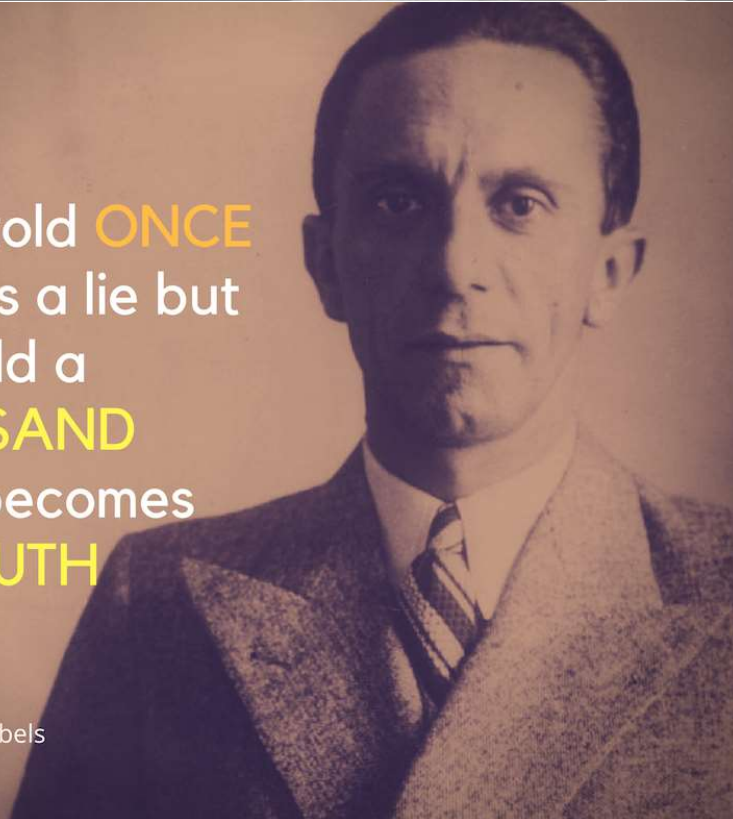

@JohnGaltReport

“

A **LIE** told **ONCE**
remains a lie but
a lie told a
THOUSAND
times becomes
the **TRUTH**

- Joseph Goebbels

**Think of the press
as a great keyboard
on which the government
can play.**

-Joseph Goebbels

**"MAKE THE LIE BIG,
MAKE IT SIMPLE,
KEEP SAYING IT, AND
EVENTUALLY THEY
WILL BELIEVE IT."**

- ADOLF HITLER

Friends, fans and followers of *China Rising Radio Sinoland*, now that Hitler and Goebbels have let you in on the BLPM's dirty, dark secrets, don't hide under your beds, glued and drooling over your TV, computer and phone screens. I'm going to go outside, rub shoulders with wonderful Thai people (OMG! 14 of them out of

69,151,920 caught CV and *none* have died!) and touch all the vittles at our nearby fresh meat, seafood, fruit and vegetable market. Then, I'm going to go swimming in a public pool, with lots of kids and old people, you know, the ones that die from the flu the most. After that I'll go to a crowded local restaurant, with people sneezing and coughing around me. It's that time of year, you know, and like the Chinese, Thais eat out of common bowls. Yummy!

The statistics tell the whole truth and nothing but the unvarnished truth. I have 3,561 times greater chance of getting killed from severe flu than dying from coronavirus. This probability would be the same if I were living in Wuhan, China, where coronavirus was discovered.
